

0.1.1 THE FACTORY

Epe italiana is the italian leader manufacturer of hydro-pneumatic accumulators for industrial and mobile applications. With more than 35 years' experience in this field, can offer a wide range of products all around the world.

Epe italiana products are all certified and, thanks to its qualified technicians, is able to offer the best technical solution.

Its strengths are:

- quick delivery
- excellent price-quality ratio
- customized solutions
- special coatings and surface treatments
- accumulators and components for high pressure
- ability to carry out tests in the presence of the client or the certifying body
